

REMARKS

In the Office Action of February 9, 2004, the Examiner closed the prosecution on the merits of the application and required that an additional drawing and corresponding change be made to the specification. Accordingly, Applicants submit herewith drawing Figure 3, which corresponds to originally filed Figure 1, illustrating both an off button and a card/card insert. A corresponding amendment has been made to the Brief Description of the Drawings noting the additional embodiment.

In view of the above, Applicants submit all conditions have now been satisfied and the application should be passed to issuance. An early notice to that effect is solicited.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and
